RECOMMENDATION / CITY COUNCIL ACTION

The Public Works Department recommends that the City Council pass and adopt Resolution No. 10671 – A Resolution Authorizing the City Manager to Execute an Agreement with Western Truck Parts and Equipment Company, LLC. to Purchase Five Solid Waste Collection Vehicles.

BACKGROUND / ISSUE

The Public Works Department must maintain a fleet of collection vehicles that is able to provide efficient and reliable solid waste collection service. The City’s requirement for these collection vehicles is based on the need to replace its aging fleet (pursuant to the Solid Waste Division’s approved replacement schedule) and to provide the current level of services. The vehicles being purchased will augment current vehicles to help support the new organics collection mandate.

This resolution will authorize the City Manager to execute an agreement with Western Truck Parts and Equipment Company, LLC. (Western Truck) for the purchase of three automated side loader collection vehicles and two front loader collection vehicles. The total cost for the purchase of these vehicles will not exceed \$1,808,989.78. Sufficient funds to purchase the replacement vehicles are budgeted and available in the Fiscal Year 2021-22 Solid Waste Operating Fund (Fund 540).

POLICY / RULE

Section 2.36.120 of the Folsom Municipal Code states, in part, that contracts for supplies, equipment, services, and construction with an estimated value of \$62,657 or greater shall be awarded by the City Council.

Section 2.36.170 of the Folsom Municipal Code permits cooperative purchasing agreements for the procurement of any supplies, equipment, service, or construction with one or more public procurement units in accordance with an agreement entered into or between the participants.
