BACKGROUND / ISSUE

The Folsom Plan Area Specific Plan Public Facilities Financing Plan (“PFFP”), approved by the City Council on January 28, 2014 via Resolution 9298, is an \$877 million plan that describes the backbone infrastructure and facility requirements, presents a comprehensive financing strategy, and sets forth the estimated time horizon for the development of the Folsom Plan Area (“FPA”).

The City Council previously approved the Resolution of Formation (Resolution No. 10435) on May 26, 2020 to form Community Facilities District No. 23 (Folsom Ranch) (“CFD No. 23”),

designate Improvement Area No. 6, authorize a special tax to finance the acquisition and construction of certain public facilities and certain public services, authorize the issuance of debt to finance the public facilities, and establish the appropriations limit and maximum bonded indebtedness for Improvement Area No. 6.

The landowners within Improvement Area No. 6 have requested to amend the Rate and Method of Apportionment to adjust the maximum special tax rates based on the planned development of property within Improvement Area No. 6. The proposed development plan for Improvement Area No. 6 includes 9.46 acres of multi-family medium density, 9.26 acres of multi-family high density, and 11.71 acres of non-residential use.

On June 14, 2022 the City Council considered to amend the Rate and Method of Apportionment for Improvement Area No. 6 by passage of Resolution No. 10870.

A Public Hearing and landowner election was conducted July 26, 2022. At that time, the following resolutions were approved by the Council:

- Resolution No. 10893 – A Resolution of the City Council of the City of Folsom Calling a Special Mailed-Ballot Election Related to Change Proceedings for Improvement Area No. 6 within City of Folsom Community Facilities District No. 23 (Folsom Ranch)
- Resolution No. 10894 – A Resolution of Change of the City Council of the City of Folsom Relating to Improvement Area No. 6 within the City of Folsom Community Facilities District No. 23 (Folsom Ranch)

The results of the landowner election was 29 votes in favor of the ballot measure and zero opposed.

POLICY / RULE

Chapter 5 of the Folsom Plan Area Public Facilities Financing Plan authorizes the formation of CFDs to finance the construction, acquisition, and servicing of FPA backbone infrastructure and public facilities

Section 2.5.3 of the First Amended and Restated Tier 1 Development Agreement authorizes the formation of infrastructure CFDs

Resolution No. 9282 – A Resolution of the City Council of the City of Folsom Approving Goals and Policies for Community Facilities Districts

Mello-Roos Community Facilities Act of 1982

ANALYSIS

CFD No. 23 is structured as an extended-term CFD and will provide the necessary funding to help fund all or a portion of the project's share of PFFP backbone infrastructure and facilities,

including related environmental mitigation obligations. The PFFP backbone infrastructure and facilities will be financed using both bond proceeds and PAYGO special tax revenues. The extended-term CFD structure is proposed to help to meet the challenge of high-cost infrastructure and facilities while also aligning the timing of future funding availability with the need for such funding.

The proposed amendment to the Rate and Method of Apportionment for Improvement Area No. 6 will remove the maximum facilities special tax rates from the multi-family high density land use and the non-residential land use. The maximum facilities special tax will be levied upon the multi-family medium land use only. There is no single-family detached property planned for development within Improvement Area No. 6.

The special tax revenue generated from taxable parcels within Improvement Area No. 6 will be comprised of a special tax to fund facilities and a special tax to fund services. The amended Fiscal Year 2021/22 maximum facilities special tax rates and maximum services special tax rates, for each land use category, are provided in the table below:

Land Use Category	FY 2021/22 Maximum Facilities Special Tax Rate	FY 2021/22 Maximum Services Special Tax Rate	Per
Single-Family Detached Property - SF/SFHD Zoning	\$0	\$0	Unit
Single-Family Detached Property - MLD Zoning	\$0	\$0	Unit
MMD Multi-Family Attached Property	\$30,600	\$310	Acre
MHD Multi-Family Attached Property	\$0	\$310	Acre
Non-Residential Property	\$0	\$0	Acre

The facilities special tax can be levied and collected through Fiscal Year 2079/80. Each fiscal year, commencing with Fiscal Year 2022/23, the maximum facilities special tax rate will be increased by 2% annually. The services special tax can be levied and collected in perpetuity for Improvement Area No. 6. Each fiscal year, commencing with Fiscal Year 2022/23, the maximum services special tax rate will be increased by the June annualized percentage change of the Consumer Price Index for all Urban Consumers, for the San Francisco-Oakland-San Jose area, not to exceed 4%.

Ordinance 1330 authorizes the special tax to be levied on CFD No. 23 Improvement Area 6 for Fiscal Year 2022/23 and all subsequent years, and was introduced on July 26, 2022. No changes have been made to the ordinance since the first reading.

FINANCIAL IMPACT

There is no direct General Fund impact on the City of Folsom. The Improvement Area No. 6 amendment and expenses are solely the responsibility of Improvement Area No. 6. The General Fund is not impacted by the Improvement Area No. 6 Amended Rate and Method of Apportionment.

ENVIRONMENTAL REVIEW

An Initial Study and Mitigated Negative Declaration prepared for the Folsom Plan Area Backbone Infrastructure Project were previously prepared for, and adopted by the City Council on February 24, 2015, in accordance with the requirements of the California Environmental Quality Act. Pursuant to CEQA Guidelines section 15378(c), the term “project” does not mean each separate governmental approval for an approved activity which may be subject to several discretionary approvals by governmental agencies. Additionally, the creation of government funding mechanisms which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment is not defined as a “project” under CEQA. CEQA Guidelines Section 15378(b)(4) and 15061(b)(3).
