City Council Agenda Item

Subject: Presentation by Kimley Horn for Pedestrian Bridge Feasibility Study Update

Submitted By: SaVaughn Irons-Kumassah

Date Submitted: September 30, 2024

Work Session Date: October 7, 2024

Council Meeting Date: October 7, 2024

Background/History:

Kimley Horn has been working to complete a feasibility study for the Forest Park Pedestrian Bridge. Per the timeline provided to staff by Kimley Horn, the draft feasibility study report is nearing completion, and they would like to share the progress made through stakeholder interviews, visioning sessions, pop ups, open house and online engagement.
