**Subject:** Plumbing Repairs for the Outdoor Pool – Recreation and Leisure Services

**Submitted By:** Marquessa Moore

**Date Submitted:** 03/13/2024

**Work Session Date:** March 18, 2024

**Council Meeting Date:** March 18, 2024

---

## Background/History:

The outdoor pool was built in 1963 and still contains the original galvanized piping system for plumbing. The plumbing system needs repair due to constantly backing up during regular operation and wear and tear of the original pipes. We are requesting funding to repair the plumbing and the pool house restrooms. We are utilizing our on-call plumbing contractors to perform the repairs. If repairs cannot be made immediately, the pool will fail it's annual inspection for summer operations. Quick Action Plumbers has been issued a task order for the repairs on the outdoor pool.
