City Council Agenda Item

Subject: MFA Policy – IT Department

Submitted By: Josh Cox, IT Director

Date Submitted: March 13th, 2024

Work Session Date: March 18th, 2024

Council Meeting Date: N/A

Background/History:

As a precursor to the planned implementation system wide MFA (Multi Factor Authentication), the IT department wanted to bring forth a policy for approval by the Mayor and Council. The purpose of this policy is to define what MFA is along with the scope and expectations as this will impact all City staff. This will be the first of many upcoming IT specific policies to be presented to the Mayor and Council.
