**Council Meeting Date:** April 21, 2025

**Background/History:**

The Forest Park Police Department conducted a thorough examination in 2022 to identify the most effective license plate readers, and Flock Safety emerged as the top choice. In January 2024, the Mayor and Council approved the acquisition of LPR cameras to ensure comprehensive coverage across the city. These license plate readers prove to be invaluable tools for law enforcement, particularly in the realm of investigations.

The Forest Park Police Department is seeking to continue services with Flock Safety for another year at the annual cost of \$62,500 funded by Red Speed, the automation School Zone cameras.
