City Council Agenda Item

Subject: Active Directory Rebuild – IT Department

Submitted By: Josh Cox, IT Director

Date Submitted: May 28th, 2024

Work Session Date: June 3rd , 2024

Council Meeting Date: N/A

Background/History:

Based upon a recent review of the City's Active Directory (AD) and Domain Controllers (DC), along with our current on-premise backup solution, we would like to implement some major structural changes to enhance our security posture. This project includes a rebuild of our two DC servers, along with the servers that process, store, and maintain our server backups. This project was not budgeted for in our current fiscal year, but due to the sensitive nature, we are asking Mayor and Council to approve funding to be added to the IT budget to complete this project as soon as possible.

Cost: $ 17,295.00   **Budgeted for:** _____ **Yes** _x_ **No**

None

Action Requested from Council: We are seeking approval to move forward with this project in the current fiscal year.
