### Background/History:

The Department of Public Works is requesting Council's approval to extend the contractual agreements with the following two plumbing repair and maintenance contractors:

- MaxAir Mechanical
- The Plumbing Shop Inc., DBA Quick Action Plumbers

These contractors have been providing on-call plumbing repairs and maintenance services to the City, supplementing the Public Works Department's staff. The initial contract term was for three years, and after reviewing the performance of both firms, the Department is recommending a two-year extension to continue utilizing their services.

The extension will allow these contractors to remain on an as-needed, on-call basis to perform specific plumbing-related task orders. The Department of Public Works will maintain the option to rotate the firms or allow them to compete for various projects throughout the City of Forest Park, including services for the City's different boards.

### **Action Requested from Council:**
