**AERIAL MAP**

**ZONING MAP**

## ZONING CRITERIA AND ANALYSIS

- 1. Would the proposed amendment be consistent and compatible with the City's land use and development, plans, goals, and objectives?** The proposed use is compatible and consistent with the City's land use and development goals and objectives.
- 2. Would the proposed amendment tend to increase, to decrease, or to have no impact on traffic safety and congestion in the streets?** The proposal will not have a significant impact on the transportation infrastructure.
- 3. Would the proposed amendment tend to increase, to decrease, or to have no relationship to safety from fire and other dangers?** The proposed use will not have an increase, decrease of the relationship to safety from fire and other dangers if event space attendee numbers are minimized.
- 4. Would the proposed amendment tend to promote, to diminish, or to have no influence on the public health and general welfare of the City?** The proposed development does not appear to be a detriment to the public health, safety, morals, or general welfare if the Conditional Use Permit is granted.

5. **Would the proposed amendment tend to increase, to decrease or to have no influence on the adequacy of light and air?** The proposed use will not increase, decrease, or have any influence on the adequacy of light and air.
6. **Would the proposed amendment tend to cause, to prevent, or to have no influence on the overcrowding of land?** No.
7. **Would the proposed amendment tend to cause, to prevent, or to have no relationship on the population distribution within the city, thus creating any area so dense in population as to adversely affect the health, safety, and general welfare of the City?** The proposed use will not increase the population or density as to adversely affect the health, safety, and general welfare of the city.
8. **Would the proposed amendment tend to impede, to facilitate, or to have no impact on the adequate provision of transportation, water, sewerage, other public services, utilities, or facilities?** The proposed use will not cause any additional impact on the water/sewer and other utilities or other public services.
9. **Would the proposed amendment tend to be compatible with environmental conditions in light of surrounding developments? If compatible, what factors, if any, would diminish the value, use and enjoyment of surrounding properties?** The subject property value has no existing zoning restriction that would diminish the value and enjoyment of surrounding properties.
10. **Would the proposed amendment tend to promote, to diminish, or to have no influence upon the aesthetic effect of existing and future uses of the property and the surrounding area?** Granting a Conditional Use Permit would not diminish the future uses of the property and surrounding area.
11. **Would the proposed amendment have measurable adverse economic effect on the value of surrounding or adjacent property?** The use appears suitable for the nearby properties. There is no indication of any potential detrimental causes that would decrease the property value of surrounding or adjacent property.
12. **Would the proposed amendment create an isolated district unrelated to adjacent and nearby districts?** The Conditional Use Permit would not create an isolated district.

### **STAFF RECOMMENDATION**

Staff recommends **DENIAL OF A CONDITIONAL USE PERMIT** based on the potential liability of having children and a mixture of adult activities that include clinics, recovering alcoholics and offenders. The following combination would not be allowed as a combined use.
