Submitted By: Ricky L. Clark, Jr., City Manager

Date Submitted: July 12, 2023

Work Session Date: July 17, 2023

Council Meeting Date: June 17, 2023

Background/History:

In reviewing our property, casualty & loss insurance renewal, we were alarmed by the increase based on recurring incidents involving city property. As an organization, we must always remain extremely conscious of the safety of our employees and the citizens of our community. As an employer, we recognize our obligation to ensure the safest possible workplace for our employees. As a governmental entity, we recognize our responsibility to provide a safe environment for the public we serve. It is our belief that most accidents are preventable. In accordance with this belief, we have allocated resources to administer an aggressive loss control program in our municipality.

In an effort to draw awareness to the importance of protecting city assets, the City Manager is recommending the creation of an Accident Review Committee. Each department head is responsible and will be held accountable for the loss control performance within his or her department

Mission
