Council Meeting Date: July 17, 2023

Background/History:

The Clayton County UCC has partnered with Georgia 811 to promote 811 Day each August for the past total 2 years to coincide with the onset of peak digging season. The initiative was designed to heighten contractor and homeowner awareness of the national 811 notification system. By calling 811, Clayton County residents notify area utility operators, including City of Forest Park of their intent to dig so that the utilities can be located ahead of the project. The 811-notification system is paramount to the prevention of damage to underground utilities and the safety of Forest Park, Clayton County residents.
