**Background/History:**

The 2024 Annual Report from the Forest Park Police Department represents a comprehensive overview of the department's efforts, accomplishments, and strategic initiatives over the past year. This report serves not only as a record of our operational and community-based achievements, but also as a reflection of our ongoing commitment to transparency, accountability, and excellence in public service.

Throughout 2024, the department focused on strengthening community relationships, enhancing public safety, implementing data-driven policing strategies, and investing in both personnel development and technological advancements. These efforts resulted in measurable progress across multiple areas, including crime reduction, officer training, emergency response capabilities, community engagement programs, and departmental innovation.

The annual report is a key tool in maintaining open lines of communication with the public and our city leadership. It offers a clear, factual, and honest portrayal of how the Forest Park Police Department continues to evolve to meet the needs of the community we are sworn to serve.

We are proud to present this report as a testament to the hard work of our officers and civilian staff, and as a symbol of our shared responsibility to build a safer, stronger, and more connected Forest Park.
