Project: Forest Park (Monument Foundation)

Attn: Rochelle B. Dennis

Technique Concrete Construction's proposal for the Monument Foundation project is based on the documents from Rochelle Dennis, and includes all labor, material, equipment, and supervision to perform the work as follows:

**Scope of Work for the above project includes the following:**

1. Excavate for new Monument Foundation (3' x 1'6" x 10") in specified location.
2. Furnish and place all concrete (foundation) for above item.
3. Furnish and install all reinforcement for above item.
4. Cleanup of work areas as work progresses to maintain a clean & safe work site.
5. Final cleanup.

**Scope of Work for the above project excludes the following:**

1. Night work of any kind.
2. Temporary erosion control.
3. Rock excavation.
4. Excavation and/or handling of any unsuitable or contaminated soils.

Technique Concrete's proposal for above.....\$ 2,800.00
