SPLOST OVERVIEW

- A **special-purpose local-option sales tax** (SPLOST) is a financing method for funding capital outlay projects in the U.S. state of Georgia. It is an optional 1% sales tax levied by any county for the purpose of funding the building of parks, schools, roads, and other public facilities.
- The SPLOST Program provides opportunity to use the sales tax dollars that nonresidents provide to ease the burden on funding from local taxpayers.
