Comments

SaaS Monthly Fees are rounded to the nearest dollar. The Annual Fee value represents the cost to the customer.

A 5% discount has been applied to licensing fees in exchange for a 5-year commitment from Forest Park, GA to utilize Enterprise Permitting and Licensing.

Scope and definitions:

- o 300 hours of Implementation Services will encompass configuration of Community Development processes and configuration of Civic Access specific of those same processes. The expectation is to utilize Best Management Templates (BMTs) to control scope and cost.

Additional costs related to on-site consultation and training provided by Georgia-based Tyler employees:

- o Client is responsible and will be charged for perdiem each day for the trainer. Most likely lunch at the minimum.
- o Car mileage since a car would not be rented.
- o If over a one hour commute from the employee's home to the client office, a hotel stay may be required. If that is the case, a full day perdiem would also be needed.
