Date Submitted: March 25, 2022

Work Session Date: April 4, 2022

Council Meeting Date: April 4, 2022

Background/History:

The City Council recently approved an Entertainment District ordinance. It is proposed that the City clarify the distance requirements for the location of businesses that provide for the on-premises consumption of alcohol only. O.C.G.A. § 3-3-21(b)(3), specifically give the City the authority to regulate the distance requirements for on-premises consumption from churches, schools, and college campuses. The proposed ordinance would allow such establishments to be located anywhere within a commercially zoned district.
