**Background/History:**

It is proposed that the City amend the licensing requirements for the on-premises consumption of alcohol only to allow entertainment venues, such as concert halls, comedy clubs, dinner theaters and similar establishments to be permitted to sell alcohol during their events. The proposed ordinance would allow on-premises alcohol sales one hour before and after such events and require food to be made available during their hours of operation. Adult entertainment establishments would not be included within the definition of an entertainment venue.
