The purchase of prior service credit is permitted but not required under this Plan. Such purchases will be allowed to the extent permitted by law, subject to any conditions, proofs, or acceptance that the Pension Committee Secretary or GMEBS deem appropriate.

  - meeting the minimum service requirements for vesting under the Plan;**
  - meeting the minimum service requirements for benefit eligibility under the Plan.**

- (3) **Application to Purchase Service Credit.** A Participant who meets the eligibility requirements specified in paragraph (1) above and who wishes to purchase eligible service credit as described in paragraph (1) above may apply for such purchase by completing and submitting to the Pension Committee Secretary an application form provided for that purpose. Participants will be responsible for providing the Pension Committee Secretary with any information or documentation that the Pension Committee Secretary deems necessary to establish that the Participant's service is eligible for purchase under paragraph (1) above.
- (4) **Window Period for Application.** In order to purchase service credit, eligible Participants may submit the service credit purchase application between September 1 and October 31 of calendar years 2024 and 2025. If a Participant does not submit a completed application to purchase service credit within the designated window period, the Participant will not be permitted to purchase service credit. As a precondition for approval of the Participant's application, the Participant will be responsible for providing the Pension Committee Secretary with any additional information or documentation that the Pension Committee Secretary deems necessary to establish that the Participant's service is eligible for purchase under paragraph (1) above. Notwithstanding any provision herein to the contrary, no Participant may apply for or purchase prior service credit after termination of employment.
- (5) **Review by Pension Committee Secretary.** Within a reasonable period of time after the end of the application period, the Pension Committee Secretary will review the Participant's application to purchase service credit and will determine whether the application should be accepted. Upon approval of an application by the Pension Committee Secretary, the Pension Committee Secretary will certify on the application the number of years and months of prior service that are eligible for purchase under paragraph (1) above.
- (6) **Fee for Cost Study.** As a precondition for approval of the application to purchase service credit, and prior to the commencement of any cost study, Participants may be required by the Employer to pay all or a portion of the GMEBS actuarial cost study fee(s) associated with determining the cost to purchase the Participant's eligible service credit. Any portion of the fee that the Participant is not required to pay will be paid by the Employer.

- (7) **Actuarial Study to Determine Cost of Purchase.** In the event that a cost study has not been undertaken prior to the Participant's submission of a completed application to purchase service credit, if the Participant's application to purchase is approved by the Pension Committee Secretary, a cost study will be undertaken as soon as reasonably practicable after the application has been approved, in order to determine the actuarial cost relating to the Participant's prior service that is eligible for purchase.
- (8) **Lump Sum Payment Required Within 120 Days.** Upon completion of the cost study, the Pension Committee Secretary will notify the Participant of the lump sum amount required to purchase prior service credit, as reflected in the cost study. Within 120 days of receiving this notice or of receiving notice of the Pension Committee's approval of the Participant's application to purchase service credit, whichever is later, the Participant shall remit said lump sum amount in the form and manner required by paragraphs (9)-(11) below, the Pension Committee Secretary, and GMEBS. The Participant may remit less than the full lump amount necessary to purchase all of the prior service credit which is eligible for purchase, in which case the percentage of service credit awarded will be equal to the percentage of the full amount remitted. The Pension Committee Secretary shall have the authority to extend the 120-day time period for payment of lump sum amounts required to purchase service credit if, for reasons outside the control of the Participant, payment cannot be made within the 120-day period. However, the time limit for payment will not be extended any later than 120 additional days and in no event may a Participant make such payment after termination of employment.
- (9) **Method of Payment.** To the extent permitted by the Internal Revenue Code and regulations issued thereunder, the lump sum amount referred to in paragraph (8) above may be paid via one or more of the following sources: (1) a direct trustee-to-trustee transfer from a 401(a) qualified retirement plan, a governmental 457(b) deferred compensation plan or a 403(b) tax sheltered annuity; (2) a qualified rollover from a governmental 457(b) plan, 403(b) tax-sheltered annuity plan, 401(a) qualified plan, 403(a) annuity plan, or a 408(a) or 408(b) individual retirement account or annuity (traditional IRA); or (3) a lump sum contribution of after-tax funds. - (10) **Limitation on Amount of Lump Sum Payment.** If the lump sum amount referred to in paragraph (8) is paid via any method other than as described under paragraph (9)(1) or (9)(2) above, then the Participant shall not be permitted to contribute to the Plan in any calendar year an amount which exceeds any applicable limit specified in Internal Revenue Code Section 415.
- (11) **IRC 415, Other Limitations.** Notwithstanding any other provision of the Adoption Agreement or this Addendum to the contrary, the Plan will not accept and shall return without interest any contribution or portion of a contribution made to purchase service credit if such contribution would result in a violation of the applicable limitations established under Internal Revenue Code Section 415(b), (c), or (n) or any other provision of law or the Plan, or if it is later determined that the Participant's prior service is not eligible for purchase, and any prior service credit attributable to said contribution or portion of a contribution will be forfeited.
- (12) **Return of Contributions.** Contributions made to purchase prior service credit shall be used to fund retirement and death benefits payable under the Plan relating to such credit. Contributions shall not otherwise be refundable to the Participant or any other person, except as otherwise provided in this paragraph (12) or in Section 13.06 or 18.04 of the Basic Plan Document (concerning failure to exhaust or termination of the Plan, respectively).
