**FORESTPARK**

# City Council Agenda Item

---

**Subject:** Geotechnical Investigation for the Public Safety Building

**Submitted By:** James Shelby

**Date Submitted:** March 26, 2024

**Work Session Date:** April 1, 2024

**Council Meeting Date:** April 1, 2024

---

**Background/History:**

Falcon Design/Grouped Engineering Services (GES) investigated undeveloped portions of the property associated with the Gillem Public Safety Building. This investigation was in response to the appearance of subsidence / sinkholes on the property in areas that were outside the limits of construction and disturbance for the project. The original geotechnical report was utilized solely for the actual areas requiring construction for the parking and building areas for this site.
