Subject: Council Discussion for Perkins Park Basketball Court Remodel – Public Works Department

Submitted By: Bobby Jinks

Date Submitted: October 31, 2023

Work Session Date: November 6, 2023

Council Meeting Date: November 6, 2023

Background/History:

PERKINS PARK will be undergoing several upgrades in several phases. This is an attempt to revamp the surrounding community who resides and play in this park. Within the upgrades of the first phase, the basketball court will be resurfaced along with the replacing of the backboards/poles, and goals. The fencing around the court and the creek will be replaced. The second phase is to re-mulch the playground, replace the white piping with pressure-treated timbers and replace the benches. The final phase would be to replace the playground equipment.

For the first phase, Public Works is seeking approval of \$75,738.00 for 2 contracts.

The first contract for Dash Enterprise Georgia Group to resurface the basketball court: - \$65,550.00.

The second contract for Natural Enclosures Fence Company to fence around the court and adjoining creek: - \$10,188.00.

Cost: \$ 75,738.00

Budgeted for: **Yes** **No**

Financial Impact:
