Background/History:

Since 1985, citizens across the United States have celebrated Park and Recreation Month in July as a way to promote strong, vibrant and resilient communities through the power of parks and recreation. During this observance month, municipalities throughout the nation recognize the more than 160,000 full-time park and recreation professionals, along with hundreds of thousands of part-time and seasonal workers and volunteers who maintain our nation's local, state and community parks. The City of Forest Park would like to acknowledge the exceptional efforts and dedication of the City's Recreation and Leisure Services Department, which continues to offer safe and accessible activities and programs for youth, adults, families, seniors and other local constituents.
