| <b>2. DISCUSSION/DECISION/PRESENTATION ITEMS:</b> |  |
|   | The group discussed options for the PAC to organize a 'Forest Grove Festival of the Arts' in 2024 with the purpose of growing participation in, and audiences & appreciation for the arts in Forest Grove: dance, theatre, literary arts, music, photography, film, fine arts, and crafts. It was recommended to have Linda develop a proposal for collaborating with the Adelante Mujeres Farmer's Market to incorporate the first Wednesdays of May thru August 2024 into a celebration featuring: |
|   | 1.) music 2.) dance 3.) theatre & literary arts 4.) visual arts (fine arts, photography, film and crafts). Linda will approach Adelante Mujeres with a proposal. 2nd choice would be a collaboration with International Print Day on the weekend of May 3-5, 2024. Once we have heard back from Adelante Mujeres, we will share the proposal with the PAC, and explore next steps.   |
