

ORDINANCE NO. 2023-04

ORDINANCE AMENDING FOREST GROVE CODE OF ORDINANCES  
TITLE IX (GENERAL REGULATIONS) BY ADDING CODE CHAPTER 94,  
REGULATION OF CAMPS AND CAMPING ON PUBLIC PROPERTY;  
REPEALING § 92.15, CAMPING; AND AMENDING TITLE XIII (GENERAL  
OFFENSES) §130.06, CONSUMPTION OF INTOXICANTS ON PUBLIC PROPERTY,  
PUBLIC RIGHTS-OF-WAY, AND PUBLIC PREMISES

**WHEREAS**, in 2019, the United States Ninth Circuit Court of Appeals (Ninth Circuit) issued its decision in *Martin v. Boise*, 920 F.3d 584 (9th Cir., 2019), holding that governments cannot criminalize certain conduct such as involuntarily sitting, lying, and sleeping in public that is unavoidable as a result of homelessness when alternative shelter is not available; and

**WHEREAS**, in 2022, the Ninth Circuit issued its decision in *Johnson v. City of Grants Pass*, 50 F.4th 787 (9th Cir., 2022), further holding that certain local regulations cannot prohibit individuals experiencing homelessness from taking minimal measures to keep warm and dry while sleeping, affirming, in part, the 2020 decision by the Oregon Federal District Court in *Blake v. Grants Pass*, No. 1:18-CV-01823-CL, 2020 WL 4209227 (D. Or. July 22, 2020); and

**WHEREAS**, while the Grants Pass litigation was pending, the State of Oregon enacted House Bill (HB) 3115 (2021) regarding local jurisdictions' regulation of camping on public property by individuals experiencing homelessness; and

**WHEREAS**, HB 3115 requires all jurisdictions that regulate acts of sitting, lying, sleeping, or keeping warm and dry outdoors on public property to have objectively reasonable time, place, and manner regulations with regard to persons experiencing homelessness; and

**WHEREAS**, HB 3115 becomes operative on July 1, 2023; and

**WHEREAS**, HB 3115 provides a private right of action for persons experiencing homelessness to seek injunctive or declaratory relief to challenge the objective reasonableness of any jurisdiction's regulations regarding camping on public property; and

**WHEREAS**, because the City of Forest Grove did not prohibit camping or sleeping on all public property in the City and had objectively reasonable regulations related to public camping, the City was not obligated to amend its municipal code or practices under either the federal court cases or HB 3115; and

**WHEREAS**, as the homeless population in the City of Forest Grove and Washington County has increased in the last decade, the need for additional and humane regulations to make the City livable for residents has increased as well; and

**WHEREAS**, the City Council passed Objective 1.2 in 2023 to develop policies and activate partner services that will address homeless services, including an ordinance addressing time, place and manner regulations for homeless services; and

**WHEREAS**, throughout the last year the City has taken a number of steps to gather information, seek community input and address community needs related to homelessness; these efforts have included holding Committee for Community Involvement meetings on homelessness; creating an updated a city-wide webpage on homelessness; establishing a City Council Subcommittee on homelessness that held several listening and learning community meetings; and entering into an Encampment Program agreement with Washington County to allow for safety and health inspections and encampment clean up; and

**WHEREAS**, beginning in early 2023, the City undertook a revision of the City's regulation of camping on public property, viewing the issue through the lens of respecting the dignity of all persons, including those experiencing homelessness and the surrounding housed community; and

**WHEREAS**, the Council conducted work sessions on April 10, 2023, April 24, 2023, May 8, 2023 and May 22, 2023, to review and discuss reasonable time, place, and manner regulations for public camping;

**WHEREAS**, during these discussions, it became apparent that if shelter is not available to persons experiencing homelessness, the best solution for the City is to provide a city-designated area for overnight camping that is large enough to accommodate the City's estimated homeless population, has a surface suitable for camping, and is close to services such as transit, food banks, and food stores; and

**WHEREAS**, the Council also recognized that if the designated camping area is either above capacity, or not available for a person experiencing homelessness, the City would need to identify other areas where camping is allowed; and

**WHEREAS**, regardless of where camping occurred, the Council also considered reasonable time and manner regulations that would provide safe and sanitary conditions for those experiencing homelessness; and

**WHEREAS**, the Council developed regulations focused on safety and access on streets, sidewalks, trails, and bicycle lanes, preventing unsafe camping in lanes of travel, and limiting camping on sidewalks to allow for community access; and

**WHEREAS**, the Council also developed regulations focused on community health and sanitation that prohibits the accumulation of trash and other waste in camps to provide a safe and healthy environment for all camp users, as well as developed

regulations that prevent contamination outside the camps such as dumping wastewater; and

**WHEREAS**, the Council discussed and developed regulations addressing other potential dangers such as open flames and dangerous, unauthorized connections to utilities and other city facilities; and

**WHEREAS**, the Council also sought to ensure that public property would avoid permanent alterations that could damage the property by restricting digging, excavating, or removing vegetation; and

**WHEREAS**, the regulations also allow for camping on certain public property for up to 12 hours each day, which provides sufficient time for any person to set up and take down a camp, and sleep for a reasonable amount of time; and

**WHEREAS**, the Council believes these regulations strike the appropriate balance of providing equitable support and protection for the health, safety, and welfare of all members of the community, including residents, businesses, individuals experiencing homelessness, and other interests affected by these regulations; and

**WHEREAS**, these regulations are not land use regulations and do not implement the City's comprehensive plan; and

**WHEREAS**, the City has provided notice of Public Hearing, held a public hearing on June 12, 2023 and June 26, 2023 regarding the proposed revisions to the Forest Grove Code of Ordinances, afforded all interested parties an opportunity to be heard, and duly considered the subject.

**NOW THEREFORE, THE CITY OF FOREST GROVE ORDAINS AS FOLLOWS:**

**Section 1:** The City Council hereby amends Forest Grove Code of Ordinances Title IX (General Regulations) by removing § 92.15, Camping.

**Section 2:** The City Council hereby amends Forest Grove Code of Ordinances Title XIII (General Offenses) §130.06 as follows:
