ERIC G. STEWART AWARD

Is Hereby Awarded To:

Holly Tsur

In Recognition of Her Outstanding Commitment To the Preservation of Forest Grove's History

The Forest Grove Historic Landmarks Board has chosen to bestow the 2022 Eric G. Stewart Award to Holly Tsur. Holly Tsur has been an extremely valuable member of the Forest Grove Historic Landmarks Board, where she served for 13 years. The Board is pleased to be awarding her for her outstanding efforts to help preserve the architectural treasures of Forest Grove.

Holly Tsur was appointed to the Historic Landmarks Board in September of 2009 and served as Chair from 2015 to 2020. Her guidance as chairwoman ensured the board carefully followed "Roberts Rules of Order" in meetings as well as email communication policies. Her professional expertise in preparing contracts, documents, handouts, and mailings enabled the Board to be more professional in all written correspondence.

Her continued efforts to encourage cross-training of all board positions enabled all members to become more knowledgeable and to gain new experiences. Her positive encouragement and tireless devotion to the Board helped all members to excel.

Her loving restoration of one of Forest Groves most iconic historic homes, The Smith-Scholfield House, an 1860s Second Empire/Queen Anne home, exemplified her love of and devotion to Forest Grove's beautiful historic homes. It is clear this was an effort by a passionate person who cares deeply about our town's history.

We applaud the work of Holly Tsur and her dedication to preserve, promote and advocate for Forest Grove's irreplaceable historic sites and assets for the cultural, economic, and educational benefits of everyone.
