Date: Thursday, September 5, 2024 3:28:32 PM

Hello Joshua,

Thank you for submitting a CTE Vehicles capital grant application. After careful review of your application, we are pleased to award your grant application in the amount of **\$882,945**.

Please respond with your acceptance or rejection of this award. If you accept this award, we will reach out soon to define a scope of work and detail other next steps towards an executed grant agreement. Additionally, if you would like to further discuss the award amount determination, let us know.

Please note: acceptance of this award does not constitute a contract; no work conducted before the execution of a valid contract between CTE and your organization will be eligible for reimbursement under this grant program. Do not proceed with project implementation until you have a signed agreement and a formal notice to proceed from CTE.

Please let us know if you have any questions.

Thank you!
