### BACKGROUND / DISCUSSION

---

The City has long been the beneficiary of local generosity and has a valuable role in our community's philanthropic landscape. Generosity is demonstrated in both large and modest gifts, each appreciated for its investment in the mission and the range of services the City strives to deliver.

The City received several individual philanthropic donations supporting various departments totaling \$11,968.53 and these funds are currently unappropriated.

As acknowledged by Section 2.5 of the City's Fiscal Management Policy 2-Revenue approved by Council, the City Manager has adopted the City Give Financial Governance Policy to provide for the responsible and efficient management of charitable donations to the City.

These generous donations have been directed by the respective donors to be used by the City for designated uses within and for the benefit of City service areas and programs. These gifts represent a range of support for City programming and services: Open Streets, Art in Public Places Visual Arts, Forestry, Volunteers Services, and the Youth Golf Scholarship Fund.
