

## DRAFT FOR DISCUSSION – JULY 8 WORK SESSION

### RESOLUTION 2025-XXX OF THE COUNCIL OF THE CITY OF FORT COLLINS EXPRESSING SUPPORT FOR AND ELABORATING UPON THE RECOMMENDATIONS OF THE CIVIC ASSEMBLY FOR THE DEVELOPMENT AND MANAGEMENT OF THE HUGHES STADIUM SITE

A. In 2021, a citizen-initiated ballot initiative was passed by the voters requiring the City to purchase the Hughes Stadium Site (the “Hughes Site”), rezone the 164-acre Hughes Site to Public Open Lands District (POL), and use the Hughes Site for “parks, recreation, and open lands, natural areas, and wildlife rescue and restoration.”

B. The City and the Board of Governors of the CSU System signed a contract on March 2, 2023 for the City to purchase the Hughes Site. The transaction closed and the City acquired the Hughes Site on June 30, 2023. The total cost of the purchase, including closing costs, was \$12,700,000.

C. In 2024, the City commenced a Civic Assembly process to engage the public about the development and management of the Hughes Site. After extensive preparations, in April and May of this year a group of twenty lottery-selected Fort Collins residents, representing a balanced cross-section of the community, met to create recommendations for the development and management of the Hughes Site. At a series of open meetings, the Civic Assembly heard from an array of presenters about potential uses of the Hughes Site consistent with its zoning as Public Open Lands.

D. Members of the Civic Assembly and City staff presented the Assembly’s recommendations for the development and management of the Hughes Site to City Council on May 27, 2025. These recommendations included that the City should:

- a) Develop and manage the Hughes Site for multiple uses;
- b) Include Indigenous/Native American consultation, and provide support and opportunities for Indigenous communities;
- c) Restore natural habitats throughout the development of the Hughes Site, as possible;
- d) Include outdoor education and interpretation;
- e) Develop community gathering space;
- f) Minimize light pollution;
- g) Include trail connections to Maxwell and Pineridge Natural Areas; and
- h) Consult with land use experts, planners, architects and designers for the optimal location of site features.

E. The City Council identified adoption of a general plan for use of the Hughes Site as one of its priorities for the 2024-2026 term.

F. Through this Resolution, City Council expresses its support for the Civic Assembly’s recommendations to be included in the plan for development of the Hughes

## DRAFT FOR DISCUSSION – JULY 8 WORK SESSION

Site. The City Council further, through this Resolution, seeks to elaborate upon those recommendations by setting acreage limitations for certain uses, discussing best practices for open space design and management, and acknowledging that flexibility in the development and management of City open spaces is necessary to meet the changing needs of Fort Collins over time. City Council also notes that it will be the work of future City Councils to implement the vision for the Hughes Site established in this Resolution.

In light of the foregoing recitals, which the Council hereby makes and adopts as determinations and findings, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF FORT COLLINS that the City Council supports the development and management of the Hughes Site in accordance with the following principles:

- 1) Development and management of the Hughes Site will align with its zoning as Public Open Lands;
- 2) The City will endeavor to engage in on-going consultations with Native American tribes and the Indigenous community throughout the development of the Hughes Site;
- 3) The City will cultivate predominantly native and xeric vegetation and the Site will feature a naturalistic architectural palette;
- 4) The City's Natural Areas Department will acquire, maintain and restore a portion of the Hughes Site as a Natural Area, not to exceed 60 acres;
- 5) The City will provide environmental education partnership opportunities, including zoning-appropriate structures, not to exceed 20 acres.
- 6) The City will develop and manage the remaining acreage as a park, which may include the following amenities:
  - a. Connective trail system throughout the Hughes Site;
  - b. Disc golf course;
  - c. Sledding hill;
  - d. Bike park features, not to exceed 35 acres;
  - e. A community gathering space, available for reservation by permit;
  - f. Any necessary supporting facilities, including restrooms, shade structures, trash collection, and parking.
- 7) The City will manage features of the developed Hughes Site appropriately in light of their respective lifecycles;
- 8) Development and redevelopment of the Hughes Site will proceed over time as planning, design and funding allow;
- 9) City projects to develop the Hughes Site will proceed through the applicable components of the City's development review process to ensure compliance with all current standards (e.g. stormwater, lighting, etc.).
- 10) The City will manage the Natural Area in accordance with City laws and policies regarding Natural Areas. The City will manage the park in accordance with City laws and policies governing parks.
