### FIRST READING BACKGROUND / DISCUSSION

#### Introduction

This is a voluntary annexation of 3.368 acres located northeast of the intersection of North Taft Hill Road and Laporte Avenue. The site remains undeveloped. The site is bound by a place of worship to the north, a large lot single family home to the east, commercial retail stores and Laporte Avenue to the south, and N Taft Hill Road to the west.

#### Larimer County and City of Fort Collins Intergovernmental Agreement

The property is located within the Fort Collins Growth Management Area (GMA) and according to policies and agreements between the City of Fort Collins and Larimer County contained in the Intergovernmental Agreement for the Fort Collins Growth Management Area, the City agrees to consider annexation of property in the GMA when the property is eligible for annexation according to State law.

#### Contiguity Requirements

The Moor Annexation gains contiguity with city limits along its western edge fronting N Taft Hill Road with the Sanctuary On The Green Annexation (126-2018) and along its southern edge fronting Laporte Avenue with the Kennedy's West Laporte Annexation (70-1972). The annexation site has a total perimeter of 1,868.88 feet and a contiguous perimeter with city limits of 835.30 feet. The contiguous perimeter is 45% of the overall perimeter, exceeding the one-sixth (16%) required by state statute.

## **CITY FINANCIAL IMPACTS**

---

The annexation and zoning will not result in any initial direct significant financial/economic impacts. Annexation will trigger the transition of law enforcement from the Larimer County Sheriff's Office to Fort Collins Police Services, however, the site is currently undeveloped.

When additional development of the site occurs, water services will be provided by the City.

## **COMMISSION RECOMMENDATION**

---

The Planning and Zoning Commission will hear and provide a recommendation for the Moor Annexation and Zoning to Council at the Commission's August 21, 2025, hearing. The minutes from this meeting were not available on First Reading and are included on Second Reading of this item.

## **PUBLIC OUTREACH**

---

A joint neighborhood meeting for the annexation and proposed Overall Development Plan for the site was held on February 12, 2025.

A majority of questions and concerns discussed at the meeting related to future development issues rather than the annexation.
