

WORK SESSION AGENDA ITEM SUMMARY

City Council

PRESENTER

Mike Freeman, CEO, Innosphere

SUBJECT FOR DISCUSSION

Community Report: Innosphere and NSF ASCEND Engine in Colorado & Wyoming

EXECUTIVE SUMMARY

The purpose of this item is to provide a yearly update about Innosphere and the U.S. National Science Foundation (NSF) Advanced Sensing and Computation for Environmental Decision-Making (ASCEND) Engine in Colorado and Wyoming. Additional information shared will be on opportunities for Fort Collins to engage in the NSF ASCEND Engine to advance Our Climate Future (OCF) goals.
