Dear Ms. McMillen,

Thank you for submitting your request for additional juvenile diversion funds on Grant # 2025-DV-25-30008-08. The total amount requested was greater than the funding we had available to reallocate, but we are pleased to tell you we were able to increase your total award by \$13,000, to be added to Personnel Line 1.

Please note: These funds are not available until we make a modification to your contract. That will take a little while, so please do not spend any of the additional funds until you are notified that the modification has been executed.

If you have any questions or concerns, please let us know. If you no longer feel you are able to use these funds, notify us immediately.

Best,
Gary Fugo and Kate Ferebee
