

Proposed Art Donation by Diggs Brown

Arthur—My Hero, My Friend

This life-size bronze sculpture by artist Susan Norris expresses the loyalty and devotion of a military service dog for his fallen master. The mission of this sculpture is to honor the many canine service animals that have demonstrated brave dedication and loyalty to their human partners, both in times of war and also in times of healing.

The location for this sculpture is at the entrance to Veterans Plaza in Spring Canyon Community Park. This location is also near the dog park, which will also attract an audience. The sculpture was temporary placed on a stone pedestal at this location. If approved, the sculpture will remain in the same location, but will include the required Art in Public Places plaque.

The annual cleaning of the bronze sculpture will be conducted by the Veteran Plaza Partners, at no charge to the City. The value of the sculpture is \$32,000 (Edition #2 out of 3)

Proposed Location:

Veterans Plaza was dedicated in May 2011. Its located at 2626 West Horsetooth Rd. in Spring Canyon Community Park in southwest Fort Collins.
