GRANT PROGRAM

A. The Colorado Department of Transportation's ("CDOT") Office of Transportation Safety and Risk Management provides funding for local law enforcement of Colorado's impaired driving laws through the Law Enforcement Assistance ("LEAF") grant program (the "Program").

B. Fort Collins Police Services ("FCPS") was awarded \$11,015.78 through the Program. The \$11,015.78 of unanticipated funds from the Program will be used to purchase materials and equipment to support high visibility enforcement and impaired driving efforts.

C. This appropriation benefits the public health, safety, and welfare of the residents of Fort Collins and serves the public purpose of providing enhanced impaired driving enforcement.

D. Article V, Section 9 of the City Charter permits City Council, upon recommendation of the City Manager, to make a supplemental appropriation by ordinance at any time during the fiscal year, provided that the total amount of such supplemental appropriation, in combination with all previous appropriations for that fiscal year, do not exceed the current estimate of actual and anticipated revenues and all other funds to be received during the fiscal year.

E. The City Manager has recommended the appropriation described herein and determined that the funds to be appropriated are available and previously unappropriated from the General Fund and that this appropriation will not cause the total amount appropriated in the General Fund to exceed the current estimate of actual and anticipated revenues and all other funds to be received in this Fund during this fiscal year.

F. Article V, Section 11 of the City Charter authorizes City Council to designate in the ordinance when appropriating funds for a federal, state or private grant or donation, that such appropriation shall not lapse at the end of the fiscal year in which the appropriation is made, but continue until the earlier of the expiration of the federal, state or private grant or donation or the City's expenditure of all funds received from such grant or donation.

G. City Council wishes to designate the appropriation herein from the CDOT Office of Transportation Safety and Risk Management for the LEAF grant Program as an appropriation that shall not lapse until the earlier of the expiration of the grant or the City's expenditure of all funds received from such grant.

In light of the foregoing recitals, which the Council hereby makes and adopts as determinations and findings, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF FORT COLLINS as follows:

Section 1. There is hereby appropriated from new revenue or other funds in the General Fund the sum of ELEVEN THOUSAND FIFTEEN DOLLARS AND SEVENTY-EIGHT CENTS (\$11,015.78) to be expended in the General Fund for the purchase of materials and equipment to support high visibility enforcement and impaired driving efforts through the CDOT Office of Transportation Safety and Risk Management LEAF grant program.
