This **TEMPORARY CONSTRUCTION EASEMENT** (the “TCE”) is made and entered into by and between Grantor and Grantee on the dates written below, and the above referenced Exhibits A through B are attached to and made a part of this TCE.

1. Grantor’s Property. Grantor is the owner of that certain parcel of real property located in Larimer County, Colorado, which is legally described on **Exhibit A** (the “Larger Parcel”).

2. Grant of Easement. For and in consideration of the covenants and agreements herein set forth, the sum of the Consideration, and other good and valuable consideration, the receipt and adequacy of which Grantor acknowledges, Grantor grants, sells, and conveys to Grantee, its successors and assigns, a temporary construction easement (the “Easement”) on, over, under, and across that certain portion of the Larger Parcel described more fully and depicted on **Exhibit B** (the “TCE Area”), subject to the conditions and restrictions set forth below. Grantee, and its successors, assigns, employees, contractors, agents, consultants, and invitees (collectively, the “Permittees”) shall have the right to use the Easement and enter upon the TCE Area only for purposes permitted by this TCE.

3. Purpose and Use of Easement.

A. During the term of this TCE, Grantee may use the TCE Area for the following temporary activities related to the Project (defined above):

- i. Construction activities;
- ii. Marking the location of the TCE Area by suitable markers set in the ground;
- iii. Storage and staging of materials and equipment;
- iv. Fencing and gates for security and safety purposes;
- v. Ingress and egress to the construction site;
- vi. The right to use existing gates in all fences which now cross or shall hereafter cross the TCE Area.

B. Grantee's and the Permittee's use of the Easement is subject to the following:

- i. Grantee and the Permittees may only access the TCE Area from their property, and Grantee has no right of ingress and egress across any portion of the Larger Parcel not included in the TCE Area;
- ii. If Grantor's main access to the Larger Parcel is located within the TCE Area, Grantee must allow for Grantor's reasonable access to the Larger Parcel;
- iii. All activities by Grantee and the Permittees in the TCE Area must be carried out in a manner and on a schedule reasonably expected to minimize disturbance to the natural features of said property and Grantor's intended purposes and uses therefor; Grantee shall protect all trees located on the Larger Parcel from any damage by Grantee's construction activities;
- iv. Grantee shall restore the TCE Area in accordance with Section 6 below;
- v. Grantee shall provide Grantor notice of the date it intends to commence construction operations for the Project, insofar as said operations pertain to the TCE Area, at least seven (7) calendar days prior to such date, and such notice shall include any construction plans and construction schedule for the Project. Grantee shall coordinate such work in the TCE Area with Grantor;
- vi. All activities by Grantee within the TCE Area must be carried out in a secure and sanitary manner and to prevent injury or damage to persons or property;
- vii. Grantee shall provide Grantor notice of any accident, emergency, or other dangerous or hazardous occurrence in the TCE Area as promptly as reasonably possible following such occurrence and Grantee must make best efforts to correct or mitigate any such occurrence as soon as practicably possible; and
- viii. Grantee shall not be permitted to enter any portion of any building located within the TCE Area without obtaining the prior written consent of Grantor.
- ix. All construction activities must be at least Two (2) Feet away from the paved trails.
- x. No construction activities or staging of construction materials may be located within railroad easement, on the paved trail, sidewalk or landscape areas.
- xi. Utility locates must be called in prior to commencement of any work.
- xii. Contractor is responsible for all related safety precautions, including, but not limited to construction fencing.
- xiii. All applicable permits are required to be pulled by the Grantee or Contractor.

4. [Reserved]

5. Maintenance of the TCE Area. During the term of this TCE, the Grantee will maintain the surface of the TCE Area, specifically limited to any conditions directly caused by Grantee's use and occupancy of the TCE Area or conditions reasonably within Grantee's control. Grantee will

not release, or permit, or allow to be released any hazardous or combustible substance or material within the TCE Area in violation of applicable law. As used herein, “hazardous substances” shall mean any toxic or hazardous or noxious substance, material or waste which is regulated by any government authority having jurisdiction over the TCE Area.

6. Restoration of TCE Area.

- A. Prior to the Expiration Date, Grantee, in accordance with the requirements of this Section 6, will make such repairs or take such other action as may be necessary to restore the TCE Area as reasonably possible to a condition comparable to its condition as of the Effective Date (the “Construction Repairs”), except as necessarily modified to accommodate the Construction Repairs, including but not limited to the reseeded and replanting of any disturbed areas, correction of any subsidence, compaction, and restoration of any other improvements or conditions impacted by Grantee’s activities (but only to the extent directly impacted by Grantee’s activities). All restoration activities must be pre-approved in writing by the Grantor’s Parks Planning Department.
- B. The Grantee agrees to provide to Grantor a maintenance guarantee and a repair guarantee covering the design, construction, and maintenance of the Construction Repairs (the “Restoration Guarantees”). The Restoration Guarantees shall commence upon the date of the City’s final approval and acceptance of the Construction Repairs, which shall be in writing (the “Final Approval”). Subject to the foregoing, the ownership of the Construction Repairs shall pass to Grantor upon Final Approval.

7. Term. This TCE will commence on the Effective Date and will automatically terminate thirty (30) days after final completion of the Project, but in no event later than the Expiration Date. No extension of this TCE term shall be effective unless an amendment hereto is executed by both parties, and no release or notice of termination shall be required to be filed to evidence the automatic termination of this TCE.

8. No Recordation. The parties agree that this TCE shall not be recorded by either party.

9. Authority. Each person executing this TCE represents and warrants that he or she is duly authorized to execute this TCE in his or her individual or representative capacity as indicated.

10. Intentionally Omitted

11. Indemnity and Insurance.

- A. Grantee agrees to release and, unless Grantee is a governmental entity, indemnify Grantor, its officers, agents, employees, representatives, successors, and assigns from and against all claims that may accrue to Grantee or Grantee’s Permittees for personal injury, death, or property damage resulting from or arising out of the Grantee’s use of the TCE Area or other activities on the Larger Parcel. To the extent permitted by law, and without waiving any of the provision so the Colorado Governmental Immunity Act, Grantee assumes responsibility, as between Grantor

and Grantee, for any liability to third parties arising out of Grantee's use or use by Grantee's Permittees of the Easement Area or other activities on Grantor's Larger Parcel, including but not limited to the construction, installation, operation, repair, and maintenance of improvements within the TCE Area, and for any actions or omissions by Grantee or Grantee's Permittees in violation of this TCE. Nothing shall require Grantee to indemnify Grantor from any claim or liability, including reasonable attorney's fees and costs, for claims arising from the negligence or willful misconduct of Grantor.

- B. Grantee shall procure, pay for, and keep in full force and effect during the term of the TCE a comprehensive policy of general liability insurance insuring Grantee in an amount not less than One Million Dollars (\$1,000,000.00) covering bodily injury, including death to persons, personal injury, and property damage liability arising out of a single occurrence. Such coverage must include, without limitation, the insured's liability for property damage, bodily injuries, and death of persons in connection with Grantee's activities in the TCE Area or on Grantor's Larger Parcel (including acts or omissions of Grantee or of its officers, employees, or agents), and protection against liability for non-owned and hired automobiles.
- C. All policies of insurance required hereunder must name Grantor as an additional insured and shall contain a provision that the policy or policies cannot be canceled or materially altered either by the insured or the insurance company until fifteen (15) days' prior written notice thereof is given to Grantor. Upon issuance or renewal of any such insurance policy, Grantee shall furnish a certificate of insurance to Grantor.
- D. In the event Grantee fails or neglects to maintain, or require its contractor to procure and maintain, as applicable, the insurance required by this paragraph, then Grantor shall have the right, upon giving the Grantee reasonable notice of its election to do so, to take out and maintain such insurance at the expense of the Grantee, and in such event the cost of such insurance shall be paid for by the Grantee promptly upon receipt of an invoice covering such charges.

12. Notice. Any notice or other communication relating to this TCE must be in writing and shall be deemed given upon actual receipt at the physical or electronic mailing addresses set forth above, which may be amended by providing written notice to the other party.

13. Default, Remedies and Litigation Expenses. If a party to this TCE is in default in performance of its respective obligations hereunder, the other party has the right to an action for specific performance and/or damages. Prior to proceeding with any such action, the party not in default must first send written notice to the defaulting party specifying the default and affording such party a reasonable period to cure the default.

14. Assignment. The Grantee may not assign its rights under this TCE without the prior written consent of the Grantor.

15. Additional Terms and Conditions. Whenever used herein, the singular number includes the plural, the plural the singular, and the use of any gender is applicable to all genders. All of the covenants herein contained are binding upon and inure to the benefit of the parties hereto, their personal representatives, successors, and assigns. The parties agree that this TCE is to be construed and enforced according to the laws of Colorado, and venue for any proceeding relating to the subject matter of this TCE shall be in Larimer County, Colorado. If any term of this TCE is determined by any court to be unenforceable, the other terms of this TCE shall nonetheless remain in full force and effect; provided, however, that if the severance of any such provision materially alters the rights or obligations of the parties, the parties shall engage in good faith negotiations in order to adopt mutually agreeable amendments to this TCE as may be necessary to restore the parties as closely as possible to the initially agreed upon relative rights and obligations.

16. Final Agreement. This TCE represents the entire understanding and agreement between the parties with respect to the subject matter hereof and supersedes and replaces all previous oral and written representations, understandings, and agreements between the parties pertaining to the subject matter of this TCE.

IN WITNESS WHEREOF, the parties have set their hands and seals on the date(s) written below, but this TCE shall be effective as of the Effective Date; and the Grantor has caused this TCE to be executed pursuant to Ordinance No. ###, 2026, passed on final reading by the City Council of the City of Fort Collins on September 15, 2026.
