STAFF RECOMMENDATION

BACKGROUND / DISCUSSION

In early January 2024, the City received a charitable gift is from Adam Snow, FOCO Snow Charities, for the designated purpose to benefit income-qualified youth sports programming and services. The Recreation Discount programs provides children in our community with the opportunity to participate in active and healthy recreational sports and activities that their families might otherwise struggle to afford.

Steak-Out Salon has been a perennial community giver with events ranging from the annual Steak-Out Scramble charity golf event to community fundraisers to benefit residents in need.

For over 10 years, the Steak-Out Scramble has generated tremendous community support through a charity golf event. This year, the Steak Out Saloon Charity Golf Scramble tournament generated \$15,550 in charitable support for the City's Youth Recreational Sports Scholarships which brings Snow Charities total contribution to the City more than \$90,000.

The Recreation Discount program offers eligible households recreation opportunities with on-line class registration, unlimited drop-in visits to facilities, and significant discounts on activity enrollments for 12 months from date of application approval and pass activation.

CITY FINANCIAL IMPACTS

If adopted, this Ordinance will appropriate \$15,550 in philanthropic revenue received in 2023 for Recreation. The funds have been received and accepted per City Give Administrative and Financial Policy.

The City Manager has also determined that these appropriations are available and previously unappropriated from the Recreation Fund and will not cause the total amount appropriated in the Recreation Fund to exceed the current estimate of actual and anticipated revenues and all other funds in the Recreation Fund.
