## FIRST READING BACKGROUND / DISCUSSION

The City has long been the beneficiary of local generosity and has a valuable role in our community's philanthropic landscape. Generosity is demonstrated in both large and modest gifts, each appreciated for its investment in the mission and the range of services the City strives to deliver.

The City received several individual philanthropic donations totaling \$26,632 to support various departments, and these funds are currently unappropriated. As acknowledged by Section 2.5 of the City's Fiscal Management Policy 2-revenue approved by City Council, the City Manager has adopted the Philanthropic Governance Policy to provide for the responsible and efficient management of charitable donations to the City.

This item requests an appropriation of \$26,632 in philanthropic revenue received by City Give as follows:

Gifts totaling \$15,607 received from the Lincoln Center Support League for the Lincoln Center. In addition, gifts totaling \$11,025 were received for various programs and services, including gifts for Forestry, NextGen, Parks, Payment Assistance Fund, and The Gardens on Spring Creek.

The respective donors have directed the city to use these generous donations for designated purposes within and to benefit City service areas and programs.

### **CITY FINANCIAL IMPACTS**

---

This Ordinance will appropriate \$26,632 in new philanthropic revenue received by City Give for various City departments to support various programs and services. \$2,000 of the revenue was received in late 2024 and the remaining \$24,632 was received in 2025.

The donations shall be expended from the designated fund solely for the donors' directed intent. The funds have been received and accepted per City Give Administrative and Financial Policy.

The City Manager has also determined that these appropriations are available and previously unappropriated from their designated City Fund and will not cause the total amount appropriated in those Funds to exceed the current estimate of actual and anticipated revenues.
