

ORDINANCE NO. 153, 2024
OF THE COUNCIL OF THE CITY OF FORT COLLINS
ADOPTING THE 2025 BUDGET AND APPROPRIATING THE FORT COLLINS SHARE
OF THE 2025 FISCAL YEAR OPERATING AND CAPITAL IMPROVEMENT FUNDS
FOR THE NORTHERN COLORADO REGIONAL AIRPORT

A. In 1963, the City of Fort Collins and the City of Loveland (the “Cities”) agreed to establish a regional general aviation facility and became owners and operators of the Fort Collins-Loveland Municipal Airport, now known as the Northern Colorado Regional Airport (the “Airport”).

B. The Airport is operated as a joint venture between the Cities, with each city retaining 50% ownership interest, sharing equally in policy-making and management, and each assuming responsibility for 50% of the Airport’s capital and operating costs.

C. Pursuant to the Amended and Restated Intergovernmental Agreement for the Joint Operation of the Airport dated January 22, 2015, and the First Amendment to the Amended and Restated Intergovernmental Agreement for the Joint Operation of the Airport dated June 7, 2016, (collectively, the “IGA”), the Airport Manager is responsible for preparing the Airport’s annual operating budget and submitting it to the Cities for their approval.

D. Under the IGA, the City’s share of existing and unanticipated Airport revenue is to be held and disbursed by the City of Loveland as an agent on behalf of the Cities, since the City of Loveland provides finance and accounting services for the Airport.

E. The Interim Airport Manager has submitted for City Council consideration a 2025 Airport budget totaling \$11,384,095 of which the City’s 50% share is \$5,692,047 (\$1,063,064 for operations and \$4,628,983 for capital).

F. The City Council is in the process of considering the City’s 2025 budget and Ordinance No. 163, 2024, which appropriated \$218,669 in City funds to be transferred to the Airport operating fund in payment of the City’s 50% share of rent due under the approved lease of a portion of the Airport property operation of the Northern Colorado Regional Law Enforcement Training Center, which amount is included in the Land Lease revenues set forth in the 2025 Airport Budget.

G. Pursuant to the IGA, the City of Loveland holds on behalf of both Cities the revenues of, and other financial contributions to, the Airport in a fund, which includes unappropriated and unencumbered reserves (the “Airport Fund”).

H. Funding for the Airport’s 2025 operating and capital improvement budgets has been identified as follows:

FAA Grants	\$8,234,569
State Grants	\$216,699
Airport Revenues	\$2,080,816
Airport Reserves	<u>\$1,000,000</u>
Total	\$9,257,967

I. The City's 50% share of the 2025 Airport operating costs, to be held in the Airport Fund, is \$1,063,064.

J. The City's 50% share of the 2025 Airport capital improvement costs, to be held in the Airport fund, is \$4,628,983.

K. The Airport Reserves item is an appropriation for use by the Northern Colorado Regional Airport Commission for discretionary Airport projects.

L. City Finance staff has reviewed the financial statements for the Airport and determined that the requested appropriation of Airport Reserves in the 2025 Airport Budget meets the required limits set forth in the IGA.

M. This appropriation benefits the public health, safety and welfare of the residents of Fort Collins and serves the public purpose of enhancing transportation and economic welfare of the City and its residents.

N. This appropriation will not require additional funding from the Cities and is consistent with the IGA.

In light of the foregoing recitals, which the Council hereby makes and adopts as determinations and findings, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF FORT COLLINS, as follows:

Section 1. The City Council hereby approves and adopts the 2025 Airport operating and capital budget totaling \$11,384,095 (\$2,126,128 for operations and \$9,257,967 for capital), a copy of which is attached hereto as Exhibit "A" and incorporated herein by reference.

Section 2. The City Council hereby appropriates in the Airport Fund \$1,063,064 to be expended to defray the City's 50% share of the 2025 operating costs of the Airport.

Section 3. The City Council hereby appropriates in the Airport Fund \$4,628,983 to be expended to defray the City's 50% share of the 2025 capital costs of the Airport.
