- Items 1-20, less Item No. 16, recommended for adoption.
- One Discussion Item related to updates to the Election Code.

F) COMMUNITY REPORTS

None.

G) PUBLIC COMMENT ON ANY TOPICS OR ITEMS OR COMMUNITY EVENTS
(Including requests for removal of items from Consent Calendar for individual discussion.)

Roxanne Griffin reiterated comments from the previous meeting about the negative impacts of single-use plastics on health and the environment. Griffin spoke in support of 'Refills not Landfills' and expressed support for the current City practice of not utilizing grant funds for the purchase of single-use plastic water bottles. Griffin encouraged Council to adopt Ordinance No. 013, 2025.

Gabrielle Friesen asked Council to direct City Manager DiMartino to recognize the Connexion Workers' Coalition, specifically citing concerns about federal attempts to limit worker protections and safety measures. Friesen also encouraged the placement of a ballot measure similar to Denver's 2U.

Margit Hentschel, We The People, urged Council to keep write-in candidates as part of the local election process. Hentschel stated there are over 1,000 municipalities Fort Collins could use as benchmarks to maintain an efficient write-in option.

Phoebe McWilliams expressed concern about being billed for trash services that were not ordered or received. McWilliams stated she has refused to pay the opt out fee and is not being sent to collections for \$66.

Rich Stave commented on Item No. 5, *Second Reading of Ordinance No. 013, 2025, Amending Chapter 12 of the Code of the City of Fort Collins to Adopt Requirements to Reduce Plastic Pollution and to Update and Reenact the City's Disposable Bag Ordinance*, and stated the original idea was for bag fees to be eliminated and asked why that has not occurred. He asked when the public vote occurred to expand the ordinance. Stave also asked questions about Item No. 19, *Resolution 2025-012 Adopting Amendments to the City's Financial Management Policies*, and stated funds were pulled from Utility reserves to complete the Connexion installation process, therefore there is no longer oversight and transparency for the people who funded the system.

Paul Searles opposed the trash service opt out fee despite the acknowledgement that the state law allows for such fees to be charged.

Adam Hirschhorn spoke about poverty being policy and encouraged the recognition of the Connexion Workers' Coalition.

Kathleen Schmidt, League of Women Voters, commented on the need for independent election oversight in Fort Collins and read a letter from the League President calling for an independent quasi-judicial authority to oversee Fort Collins elections.

Jonesy Winchell spoke in support of recognizing the Connexion Workers' Union and in support of placing an item on the ballot similar to Denver's 2U measure.

Patricia Babbitt thanked Council for considering eliminating the sale of single-use plastics. Additionally, she opposed a proposal for a large bike park on the former Hughes Stadium site and stated voters approved the site to remain as open space. Babbitt also questioned why the Election Code Committee is supportive of eliminating write-in candidates and of changing ranked choice voting, which was approved by voters, to ranked voting for the upcoming election.

Greg Zoda urged City leaders to recognize the Connexion Workers' Coalition.

Jonah Salehi urged City leaders to recognize the Connexion Workers' Coalition and spoke in support of placing an item on the ballot similar to Denver's 2U measure.

Public comment concluded at 6:36 p.m.

H) PUBLIC COMMENT FOLLOW-UP

Councilmember Pignataro stated the Election Code Committee has been discussing ranked choice voting versus ranked voting, though they are essentially the same. Additionally, she discussed the election oversight review board that had been requested several times by the public and noted this will be discussed at a future Election Code Committee meeting. She also stated Item No. 5, *Second Reading of Ordinance No. 013, 2025, Amending Chapter 12 of the Code of the City of Fort Collins to Adopt Requirements to Reduce Plastic Pollution and to Update and Reenact the City's Disposable Bag Ordinance*, simply places Fort Collins in alignment with the State regulations.

Councilmember Pignataro stated the opt out trash fee is not a kickback to the City but pays for the administration of the program at the City.

Councilmember Potyondy asked the City Manager to clarify the ballot initiative related to the Hughes Stadium property. City Manager DiMartino confirmed the initiative labeled the site as Public Open Lands, not open space, and many uses would be allowed.

K) CONSENT CALENDAR FOLLOW-UP *(This is an opportunity for Councilmembers to comment on items adopted or approved on the Consent Calendar.)*

Councilmember Potyondy stated she is excited for the Triangle Drive and College Avenue signal coming forward.

Dana Hornkohl, Engineering Capital Projects Manager, replied in the affirmative. Councilmember Ohlson requested some additional information regarding the prioritization effort prior to Second Reading.

Councilmember Ohlson expressed concern about the way the ordinance for Item No. 15, *First Reading of Ordinance No. 025, 2025, Removing a Condition on the Zoning Classification and Amending the Zoning Map of the City of Fort Collins for that Certain Property Known as the Second Fischer Rezoning*, is written related to parking and stated the original parking condition was not voluntary, but was a requirement.

O) CONSIDERATION OF ITEMS PLANNED FOR DISCUSSION

21. Items Relating to Election Code Changes.

A. First Reading of Ordinance No. 029, 2025, Amending 7-145 of the Code of the City of Fort Collins to Clarify and Revise the Process for Enforcement of Campaign Violations.

B. First Reading of Ordinance No. 030, 2025, Amending Article V of Chapter 7 of the Code of the City of Fort Collins to Clarify and Revise the Restrictions and Requirements Related to Campaign Contributions in City Elections.

C. First Reading of Ordinance No. 031, 2025, Amending Section 7-103 of the Code of the City of Fort Collins to Remove Write-In Candidates in City Elections.

D. First Reading of Ordinance No. 032, 2025, Amending Section 7-165 of the Code of the City of Fort Collins to Clarify and Revise the Requirements for Petition Circulators.

E. First Reading of Ordinance No. 033, 2025, Amending Chapter 7 of the Code of the City of Fort Collins to Update Various Sections Related to City Elections for Consistency with the City Charter and Within Chapter 7.

In 2015, Council formed an ad hoc committee (Election Code Committee) to review, discuss and recommend the most beneficial changes to the Code and City Charter regarding elections and other related matters. The ad hoc committee was changed to a standing committee in January 2017 for the purpose of identifying and evaluating ideas for improvements to City election laws and practices and anticipating adjustments that may be needed to adapt to a changing legal and technological environment. These items are coming forward for Council consideration based on recommendations by that Committee.

STAFF PRESENTATION

Cecilia Good, Senior Deputy City Clerk, stated the Election Code Committee outlined several priorities during its meetings since March of 2024, and this item provides the Committee's ultimate recommendations for certain Code changes. Good and Sara Arfmann, Assistant City Attorney, outlined the ordinances and proposed associated changes, including changes related to the enforcement of campaign violations, clarifications and revisions to the restrictions and requirements related to campaign contributions, the removal of write-in candidates, clarifications and revisions to the requirements for petition circulators to remove the requirement for circulators to read an entire petition upon request while still ensuring reasonable accommodations, and changes related to ensuring consistency with the City Charter.

PUBLIC COMMENT

Rich Stave questioned why the removal of write-in candidates is necessary and stated the democratic process should allow more flexibility than is being created with some of the changes. He also questioned why the City Clerk is not an elected position given the level of responsibility associated with it.

Robbie Moreland questioned the absence of the formation of an election oversight function that operates independent of the City Clerk's Office, City Attorney's Office, and Council, stating the topic has been raised in Election Code Committee meetings back as far as 2017. She stated the only option for individuals who believe there are accounting errors in a candidate's campaign is to file a complaint, and the majority of the time, the explanation given for dismissal of an election complaint does not clearly explain why it was dismissed.

Marge Norskog stated the proposed changes need to be amended to include expert independent election oversight rather than continuing to rely on citizen complaints.

Greg Zoda suggested the City begin looking into partial public funding for elections.

COUNCIL DISCUSSION

Mayor Arndt suggested Council address each Ordinance separately.

A. First Reading of Ordinance No. 029, 2025, Amending 7-145 of the Code of the City of Fort Collins to Clarify and Revise the Process for Enforcement of Campaign Violations.

Councilmember Pignataro noted there will be a new type of sensical statement as to why a violation was dismissed.

Councilmember Ohlson asked if there are penalties for more egregious violations beyond fines. Arfmann replied this process is focused on civil infractions, which are relatively minor; however, criminal complaints are possible and those would be processed in the court system. City Attorney Daggett noted there is a Charter provision that provides that any person convicted of an election-related criminal offense is disqualified from their office and is restricted from running again for a two-year period.

Councilmember Pignataro noted the Election Code Committee is still discussing options for an election oversight committee.

Councilmember Gutowsky requested clarification regarding the steps in the campaign complaint process. Arfmann outlined the steps in the process and options for the person in violation to pay fines and provide evidence of a cure.

Mayor Pro Tem Francis thanked the Election Code Committee for working through this issue and providing a clearer process for addressing violations.

Mayor Arndt spoke in support of the proposed changes for this ordinance and noted the election oversight function will continue to be discussed and could be brought up under Other Business.

Councilmember Ohlson expressed support for expert election oversight.

Mayor Pro Tem Francis moved, seconded by Councilmember Canonico, to adopt Ordinance No. 029, 2025, Amending 7-145 of the Code of the City of Fort Collins to Clarify and Revise the Process for Enforcement of Campaign Violations.

The motion carried 7-0.

B. First Reading of Ordinance No. 030, 2025, Amending Article V of Chapter 7 of the Code of the City of Fort Collins to Clarify and Revise the Restrictions and Requirements Related to Campaign Contributions in City Elections.

Councilmember Potyondy asked when the current campaign contribution limits were established. Good replied they were established in 2000.

Councilmember Potyondy stated the proposed increase is appropriate, particularly given inflation and the cost of running a campaign.

Mayor Arndt noted the proposed increase is actually less than inflation.

Councilmember Ohlson stated he would support the change and stated it is fair and logical to update the amount based on inflation. He also encouraged the future examination of public funding of elections.

Councilmember Canonico thanked the Committee members for their support of this change and stated the members were very thoughtful in the amounts and proposal to maintain increases based on inflation.

Councilmember Pignataro noted public funding remains a topic for the Election Code Committee and requested additional staff input regarding ranked choice versus ranked voting. Arfmann replied the two are the same.

Mayor Pro Tem Francis made a motion, seconded by Councilmember Gutowsky, to adopt Ordinance No. 030, 2025, Amending Article V of Chapter 7 of the Code of the City of Fort Collins to Clarify and Revise the Restrictions and Requirements Related to Campaign Contributions in City Elections with an amendment substituting in Section 2 of the Ordinance which amends Code Section 7-135(a) for Denver/Aurora/Lakewood in the place of Denver/Boulder/Greeley, on First Reading.

The motion carried 7-0.

C. First Reading of Ordinance No. 031, 2025, Amending Section 7-103 of the Code of the City of Fort Collins to Remove Write-In Candidates in City Elections.

Mayor Pro Tem Francis asked whether there has been a write-in blank option in all previous elections. Arfmann replied that would only occur if someone had filed an affidavit to be a write-in candidate.

Councilmember Pignataro noted Code changes can be voted upon by Council; however, Charter changes must go to a ballot. She expressed concern that if a write-in candidate ever won, that could be challenged in Court based on the Charter language, thereby forcing that winning candidate to step down.

Mayor Arndt noted the institution of ranked choice voting would also make the implementation of write-in candidates on blank lines very difficult. She noted there is a low bar to become an actual candidate.

Councilmember Ohlson stated he would not be supporting this item as his preference would be to make a Charter change first.

Councilmember Gutowsky also stated she would not be supporting this item as she would like voters to be able to choose something other than what is presented.

Councilmember Potyondy reiterated there are only 25 signatures required for someone to become an actual candidate and also noted Council could vote to make another change to the Code in the future.

Mayor Pro Tem Francis made a motion, seconded by Councilmember Pignataro, to adopt Ordinance No. 031, 2025, Amending Section 7-103 of the Code of the City of Fort Collins to Remove Write-In Candidates in City Elections, on First Reading.

The motion carried 5-2.

Ayes: Mayor Arndt, Mayor Pro Tem Francis, Councilmembers Potyondy, Canonico, and Pignataro.

Nays: Councilmembers Ohlson and Gutowsky.

The motion carried 7-0.

E. *First Reading of Ordinance No. 033, 2025, Amending Chapter 7 of the Code of the City of Fort Collins to Update Various Sections Related to City Elections for Consistency with the City Charter and Within Chapter 7.*

Mayor Pro Tem Francis thanked the Election Code Committee for its work. Mayor Arndt concurred.

Mayor Pro Tem Francis made a motion, seconded by Councilmember Gutowsky, to adopt Ordinance No. 033, 2025, Amending Chapter 7 of the Code of the City of Fort Collins to Update Various Sections Related to City Elections for Consistency with the City Charter and Within Chapter 7, on First Reading.

The motion carried 7-0.

P) OTHER BUSINESS

OB 1. Possible consideration of the initiation of new ordinances and/or resolutions by Councilmembers.

(Three or more individual Councilmembers may direct the City Manager and City Attorney to initiate and move forward with development and preparation of resolutions and ordinances not originating from the Council's Policy Agenda or initiated by staff.)

Councilmember Ohlson noted issues related to animal welfare, both domestic and wild, have been important to this Council. He requested and received support to ask the City Manager to explore improvements to the City's fencing policies to make them safer and more wildlife friendly.

Mayor Arndt requested and received support for further investigation into the formation of a formalized campaign oversight board.
