Any work performed before these three (3) milestones are achieved will not be reimbursable.

** For RMS and MMOF funds, the Local Agency should not begin work until both of the following are in place: 1) the execution of the document encumbering funds for the respective phase; and 2) Local Agency receipt of the official Notice to Proceed. Any work performed before these two (2) milestones are achieved will not be reimbursable.

B. Matching Funds

The funding ratio for the federal & State funds for this Work is 77.73% federal & State funds to 22.27% Local Agency funds, and this ratio applies only to the \$6,352,500.00 that is eligible for federal & State funding. All other costs are borne by the Local Agency at 100%. If the total cost of performance of the Work exceeds \$6,352,500.00, and additional federal & State funds are not available, the Local Agency shall pay all such excess costs. If the total cost of performance of the Work is less than \$6,352,500.00, then the amounts of Local Agency and federal & State funds will be decreased in accordance with the funding ratio described in **A1. This applies to the entire scope of Work.**

C. Maximum Amount Payable

The maximum amount payable to the Local Agency under this Agreement shall be \$4,937,500.00. For CDOT accounting purposes, the federal funds of \$3,250,000.00, federal ARPA funds of \$1,437,500.00, State MMOF funds of \$250,000.00 and Local Agency funds of \$812,500.00 will be encumbered, but the Local Agency funds of \$602,500.00 will NOT be encumbered for a total encumbrance of \$5,750,000.00. The total budget of this project is \$6,352,500.00, unless this amount is increased by an executed amendment before any increased cost is incurred. The total cost of the Work is the best estimate available, based on the design data as approved at the time of execution of this Agreement, and that any cost is subject to revisions agreed to by the parties prior to bid and award. The maximum amount payable will be reduced without amendment when the actual amount of the Local Agency's awarded Agreement is less than the budgeted total of the federal funds and the Local Agency funds. The maximum amount payable will be reduced through the execution of an Option Letter as described in Section 7. E. of this contract. **This applies to the entire scope of Work. ARPA Funds can only originate from and after May 18, 2021.**

D. Single Audit Act Amendment

All state and local government and non-profit organizations receiving \$750,000 or more from all funding sources defined as federal financial assistance for Single Audit Act Amendment purposes shall comply with the audit requirements of 2 CFR part 200, subpart F (Audit Requirements) see also, 49 CFR 18.20 through 18.26. The Single Audit Act Amendment requirements applicable to the Local Agency receiving federal funds are as follows:

i. Expenditure less than \$750,000

If the Local Agency expends less than \$750,000 in Federal funds (all federal sources, not just Highway funds) in its fiscal year then this requirement does not apply.

ii. Expenditure of \$750,000 or more-Highway Funds Only

If the Local Agency expends \$750,000 or more, in Federal funds, but only received federal Highway funds (Catalog of Federal Domestic Assistance, CFDA 20.205) then a program specific audit shall be performed. This audit will examine the "financial" procedures and processes for this program area.

iii. Expenditure of \$750,000 or more-Multiple Funding Sources

If the Local Agency expends \$750,000 or more in Federal funds, and the Federal funds are from multiple sources (FTA, HUD, NPS, etc.) then the Single Audit Act applies, which is an audit on the entire organization/entity.

iv. Independent CPA

Single Audit shall only be conducted by an independent CPA, not by an auditor on staff. An audit is an allowable direct or indirect cost.
