### 6. NEW BUSINESS

#### a) ARTIST-IN-RESIDENCE PRESENTATION

Artist Allie Ogg, and Utilities Staff (Kellie Gorman with public engagement and executive sponsor Gretchen Stanford who is Deputy Director of Utilities) were in attendance to present the project. Allie spent the start of her residency learning about the Fort Collins Utilities with a goal of showing the community the work Utilities does 24/7 365 days a year. She has developed a four-panel illustration with an interconnected panel for each utility—Water, Wastewater, Stormwater, Light & Power. The illustration creates a digital package to be used ongoing. Its imagery can show the whole Utility ecosystem or pieces of the image can be pulled to show specific Utility functions. Allie is also proposing a painted mural of the four-panel Utility story on a to be determined building downtown as part of the project. The Utilities project team shared how the Utilities staff at large took pride the project and are excited to be shown in the illustration. The team sees
