ORDINANCE NO. 145, 2023 OF THE COUNCIL OF THE CITY OF FORT COLLINS BEING THE ANNUAL APPROPRIATION ORDINANCE RELATING TO THE ANNUAL APPROPRIATIONS FOR THE FISCAL YEAR 2024; AMENDING THE BUDGET FOR THE FISCAL YEAR BEGINNING JANUARY 1, 2024, AND ENDING DECEMBER 31, 2024; AND FIXING THE MILL LEVY FOR PROPERTY TAXES PAYABLE FISCAL YEAR 2024

WHEREAS, on November 15, 2022, the City Council adopted on second reading Ordinance No. 126, 2022, approving the biennial budget for the years beginning on January 1, 2023, and January 1, 2024; and

WHEREAS, the City Manager has submitted to the City Council proposed amendments to the 2024 budget adopted by the City Council in Ordinance No. 126, 2022; and

WHEREAS, the 2024 fiscal year budgets, fixing of mill levies, and annual appropriations for the City's General Improvement District No. 1 and Skyview South General Improvement District No. 15 are not addressed in this Ordinance, but will be considered by City Council in separate ordinances; and

WHEREAS, Article V, Section 4 of the City Charter requires that, before the last day of November of each fiscal year, the City Council shall appropriate, on a fund basis and by individual project for capital projects and federal or state grant projects, such sums of money as it deems necessary to defray all expenditures of the City during the ensuing fiscal year, based upon the budget as approved by the City Council; and

WHEREAS, Article V, Section 5 of the City Charter provides that the annual appropriation ordinance shall also fix the tax levy in mills upon each dollar of the assessed valuation of all taxable real property within the City, such levy representing the amount of taxes for City purposes necessary to provide for payment during the ensuing fiscal year for all properly authorized expenditures to be incurred by the City, including interest and principal of general obligation bonds; and

WHEREAS, Article V, Section 10 of the City Charter authorizes the City Council, upon recommendation by the City Manager, to transfer by ordinance any unexpended and unencumbered appropriated amount or portion thereof from one fund or capital project to another fund or capital project, provided that the purpose for which the transferred funds are to be expended remains unchanged, the purpose for which the funds were initially appropriated no longer exists, or the proposed transfer is from a fund or capital project in which the amount appropriated exceeds the amount needed to accomplish the purpose specified in the appropriation ordinance, and the transfers in this Ordinance are being made upon the City Manager's recommendation for one or more of these purposes; and

WHEREAS, Article V, Section 11 of the City Charter provides that all appropriations unexpended or unencumbered at the end of the fiscal year shall lapse to the applicable general or

special fund, except that City Council may designate in an ordinance appropriating funds for capital projects and for federal, state, and private grants and donations that such funds shall not lapse until the completion of the capital project or until the earlier of the expiration of the federal, state, or private grant or donation or the City's expenditure of all funds received from such grant or donation; and

WHEREAS, the appropriations in the Ordinance also include appropriations as needed to transfer monies from the dedicated funds receiving the revenues to the funds from which those monies will be expended; and

WHEREAS, the City Council finds and determines that the adoption of this Ordinance is necessary for the public's health, safety, and welfare, and therefore, wishes to approve the Proposed 2024 Budget, as hereafter amended, and authorize the expenditures described in this Ordinance for the 2024 fiscal year.
