Key Considerations

1. Align review type with vision of City Plan
 - Process incentive for dense development in key locations
 - Downtown
 - Near CSU
 - Near transit
 - More scrutiny for lower intensity development where City Plan envisions denser development
2. Shift in philosophy
 - Review level less tied to complexity and impact
 - Role of community
 - Role of P&Z
 - Fees

- \$10,775 - \$32,350 less revenue per application
- \$873,400 impact if applied 2022-2026

Planning & Zoning Commission Recommendation

- Recommended adopting staff's recommendations with conditions
- Retain Type 2 review for large multi-unit and mixed-use dwelling projects

Staff recommend Council adopt staff's recommended Code changes.
