Design House home plans were designed and drafted to meet average conditions and codes in the State of Florida at the time they were drawn. All plans were designed to meet the specifications of "some, none" jurisdiction every state, county and municipality has its own regulations, codes, ordinances and requirements. The purchaser of these plans shall be responsible for verifying or having a third party or parties to verify the scale and all dimensions on the drawings, the loading capacity of structural elements and general structural integrity and the availability of certain desired products relative to the dimensions on the plans. The purchaser and/or builder of the plan releases Design House, Inc. its shareholder, officers, directors and employees from any claims or lawsuits that may arise during the construction of the home or anytime thereafter. Design House outlines the scale and use of these plans expressly upon the purchaser's obligation to determine the suitability of these plans for your specific site and application. Certain states require the seal of an architect and/or an engineer. This service is not included in our plan prices. These plans can be modified to meet your local codes and all requirements. It is the responsibility of the purchaser and/or builder to insure that the home is built in strict compliance with all applicable codes (city, county, state and federal). All plans published and sold by Design House, Inc. are protected under the Federal Copyright Act, Title 17 of the United States Code and Chapter 37 of the Code of Federal Regulation. The purchaser is granted a limited use of these plans for construction purposes only. Further distribution of these plans is strictly prohibited. Plans and conditions of plans subject to change without notice.
