Clerk's Report to the Board December 1, 2020:

1. Florida Statute 129.06(5) prohibits elected officials who are not seeking reelection from making any budget amendments, transferring funds between itemized appropriations, or expending in a single month more than one-twelfth of any itemized approved appropriation without approval of the Board of County Commissioners. I have two employees who will be retiring or leaving employment at the end of the month and pursuant to the personnel rules, I will need to pay out for their unused leave balances. This payout will exceed 1/12 of the budgeted values in the month of December. This should not affect the remaining portion of the year as the budget will be able to shoulder the payout stretched over the 12 month period due to changes in personnel. **Action requested is Board approval to exceed 1/12 of my budget allocation for the month of December.**
