

MEMORANDUM OF UNDERSTANDING BETWEEN
CAREERSOURCE GULF COAST
AND
GULF COAST STATE COLLEGE

I. Parties

This Memorandum of Understanding (MOU) is entered into pursuant to 20 USC 2301 et seq. and PL 113-128 (the Workforce Innovation and Opportunity Act - WIOA) Section I between CareerSource Gulf Coast and Gulf Coast State College hereinafter referred to as “the College”

II. Background

Pursuant to the Carl D. Perkins Act of 2006 state colleges receive a portion of federal monies set aside to develop more fully the academic, career, and technical skills of postsecondary students who elect to enroll in Career-Technical Education. WIOA Sec.121 (b)(B)(vi), requires Career and Technical Education programs at the post-secondary level to be One Stop Partners.

The vision for the One-Stop Delivery System is to align a wide range of publicly and privately funded education, employment, and job training programs while also providing high-quality customer service to job seekers, workers, and businesses. One-stop centers (currently branded as American Job Centers) continue to be a valued community resource, known both locally and nationally as an important source of assistance for those looking for work or workers, and those looking for opportunities to grow their careers. College students and graduates could benefit greatly from the services offered through local job centers.

III. Purpose

The purpose of this MOU is to further codify the existing relationship for service provision and to implement an infrastructure funding agreement between CareerSource Gulf Coast and Gulf Coast State College.

IV. Responsibilities

A. CareerSource Gulf Coast will:

1. Maintain cooperative working relationships, to facilitate joint planning, staff development and training, evaluation of services, and more efficient management of limited financial and human resources.
2. Provide brochures, pamphlets, guides, and information regarding services to the College.
3. Provide a single Point of Contact (POC) to assist the College with questions and issues that arise in the day-to-day operations. Answers will be provided within 24 hours.

4. Provide space at the Job Center to the College on an as needed basis. Scheduling must be approved in advance with the Job Center Operator.
5. Provide referrals to the College and training support (funds permitting) for eligible students pursuing certifications in demand occupations.
6. Share information that will benefit the participants in finding a job, accessing training support if qualified, and gaining certifications or degrees to improve their employment opportunities.
7. As appropriate, provide access to staff-level permissions in the Employ Florida system in order to serve client job seekers. Upon request, the Board will provide a user id and training to allow college staff to provide services that require lesser security measures. GCSC staff who are granted access to Employ Florida must undergo a Level Two background check, complete the appropriate security forms and attend security training as required.

B. Gulf Coast State College will:

1. Provide information on class offerings and locations and update as needed.
2. Engage in board activities through representation on the CSGC Board of Directors.
3. Work with CSGC staff to develop and identify training related to demand occupations.
4. Provide space for training and events as appropriate.

V. **Cost Sharing/Resource Sharing – See Attachment A**

Costs of the infrastructure of CareerSource Gulf Coast’s comprehensive Job Center will be funded in accordance with the requirements of the Workforce Innovation and Opportunity Act; federal cost principles; and all other applicable legal requirements. The resource sharing between CareerSource Gulf Coast and Gulf Coast State College consists of the provision of phone, internet and technology at the Job Center for the college while the college provides office space on campus for CSGC case managers to meet with participants.

VI. **Infrastructure Funding Agreement (IFA)**

In compliance with WIOA and its implementing regulations and consistent with the Uniform Guidance, funding provided by the one-stop partners to cover the operating costs, including infrastructure cost of the one-stop delivery system must be based on the partner program’s proportionate use of the system and relative benefit received (WIOA sec. 121 (h)(1)(B)(i) and 121 (h)(2)(C)(i), 20 CFR 678.700 through 678.760, 34 CFR 361.700 through 361.760, and 34 CFR 463.700 through 463.

Payment Method: CareerSource Gulf Coast will prepare and send an invoice for each partner’s annual share on May 1 each year. Payment is due on June 1st and the program year begins on July 1st. For year one, the invoice will be pro-rated based upon the number of months left in the current program year. The One Stop operating budget is subject to change based upon increases or decreases in infrastructure cost contained within. The actual infrastructure costs will be reconciled with those projected annually within six months of the state fiscal year end. Increases and decreases will be calculated and included in a separate invoice including reconciliation documentation, once the difference is determined.

VII. Modification

The Workforce Board or the College may propose to modify this MOU at any time. Any such modification will not be effective until a written amendment to this MOU is executed by both parties. Modifications made solely due to changes in infrastructure costs will not require approval of local elected officials.

VIII. Indemnity

CareerSource Gulf Coast shall hold the College and the Gulf Coast State College Board of Trustees and the College’s officers, employees, agents and/or servants harmless and indemnify each of them against any and all claims, liabilities, actions, damages, suits,

proceedings, and judgments from claims arising or resulting from the acts or omissions of CareerSource Gulf Coast, its employees, its agents or of others under CareerSource Gulf Coast's control and supervision.

Except for the College's employees acting within the course and scope of their employment, the College shall not indemnify any entity or person and, then, such indemnification is limited to the express terms of section 768.28, Florida Statutes. Further, the College's liability and indemnification obligations in this MOU shall be effective only to the extent expressly required by section 768.28, Florida Statutes. Nothing herein will be read or construed as a waiver or sovereign immunity beyond that provided in section 768.28, Florida Statutes.

IX. Dispute and Impasse Resolution

All Parties will actively participate in local IFA negotiations in a good faith effort to reach agreement. Any disputes shall first be attempted to be resolved informally. Should informal resolution efforts fail, then the following Dispute Resolution process must be followed.

1. If an issue arises involving this MOU, both parties will make every effort to reach a resolution in a timely and efficient manner. Either partner may request a face-to-face meeting of the local partners to identify and discuss the issue. If resolved and no further action is deemed necessary by the partners, the issue and the resolution will be documented in writing.
2. If issues regarding MOUs and/or IFAs remain unresolved, LWDBs shall document the issue and efforts at resolution. Documentation is forwarded to the Department of Economic Opportunity, Division of Workforce Services (DEO) and the executive administrator(s) of agencies responsible for administering the partner's program. DEO and the appropriate division will work to resolve the impasse and secure an executed agreement. A joint decision shall be transmitted within 30 calendar days of receipt. Issues will be remanded back to the local partners to execute recommended action.
3. If issues remain unresolved, the LWDB must notify CareerSource Florida and include the details of the impasse. CareerSource Florida will work with the other agency heads to resolve the impasse and provide a resolution response to the all parties.

Decisions are considered final.

X. Severability

If any provision of this MOU shall be held void, voidable, invalid or inoperative, with the exception of the consideration set forth therein, no other provision of this MOU shall be affected as a result thereof, and accordingly, the remaining provisions of this MOU shall

remain in full force and effect as though such void, voidable, invalid or inoperative provision had not been contained herein.
