FD overtime budget is essentially exhausted by being short full-time staff and having limited draw from a dwindling "part-time" pool of resources.								
Hiring part-time employees has been very difficult, as Parks & Recreation and Public Works has experiencd. These departments recently asked for and were granted, permission to increase their hourly rates, which helped them attract employees.								
My hope is that this increase will at least make us competetive in pay rates in the area, and help to attract and retain volunteer/Stand-by and volunteer/call firefighters.
