Discussion Item - Amendments to the Municipal Code

Project Overview:

The City of Franklin is proposing amendments to the City’s Municipal Code Chapter 1103 of the Municipal Code. At this time the item is being brought forward for discussion to share the proposed changes with the Planning Commission. The City is not requesting that the Planning Commission approve a motion to initiate a text amendment to the City’s Unified Development Ordinance (UDO) under Section 1115.04 of the Unified Development Ordinance at this time.

In addition to the amendments to Section 1111.08 of the Municipal Code, it is also contemplated that the definitions pertaining to signs in Chapter 1103 will need to be updated as well in order to properly define the new sign types and ensure that the existing definitions are not in conflict with the proposed regulations. Thus, a list of the sign definitions is provided below along with a visual reference of each sign type.
