Frostburg, MD 21532

ATTN: Hayden Lindsey, Public Works Director
RE: Frostburg WTP Underdrain PS Replacement

Per your request, please find the attached proposal for the upgrades for underdrain pump station at Frostburg WTP.

Proposed Cost: \$44,500

Scope of work:

- Demolish existing pumps and controls
- Furnish and install Grundfos SLV30 Pumps, bases, rails and guide brackets
- Furnish and install control panel and floats. Control panel will have tie in points to SCADA. MTD to design and program points under separate contract.
- Furnish and modify pipe as necessary.

Please do not hesitate to contact me with any questions regarding this work.

Sincerely,

James Compton
