

CITY OF FRUITA'S STUDENT OF THE MONTH

FOR OCTOBER 2023

Robby LaRue

5th Grade at Rim Rock Elementary School

Was nominated by teacher Sarah Rayside. Robby shows amazing ROAR behavior at Rim Rock Elementary each and every day! He takes a smile with him everywhere he goes and never complains. When he collaborates with other students, he listens to what they are saying and adds in his own thinking. Taking responsibility for his learning and his actions is something he seems to take great pride in. Robby is just such a shining star in our classroom! I cannot say enough about him! He makes our school and community a better place!
