

*CITY OF FRUITA'S STUDENT OF THE MONTH
FOR OCTOBER 2023*

Elliette Menge

2nd Grade at Rim Rock Elementary School

Was nominated by teacher Ms. Steele. I am happy to nominate Elliette Menge. Elliette has a positive attitude and always comes to school with a smile. She recently had surgery to remove her tonsils and missed a bit of school, but was able to jump right back in and make sure she was caught up with her learning. She gets along well with others and shows kindness and empathy toward her peers. She listens, follows directions, and actively participates in learning. I appreciate having her as a student this year!
