How long have you been a resident of Fruita? 8 years

Occupation/Employer: Stay-at-home Dad, Barista @ Best Slope

List any volunteer and/or work experience:

I serve on the Executive Board of Directors for Colorado West Pride (5 years), I serve in Fruita for Equality (1 year), and as the Vice-Chair for the Juvenile Parole Board for the State of Colorado.

Are you presently serving on a board or commission? If so, which one(s)?

I am not. Just ran for City Council and lost. I still would like to serve in some way.

Why do you want to be a member of this board or commission?

Downtown Fruita is such a wonderful place to connect with other Fruita residents, which is something we all need after two years of COVID. The history of the area and buildings mixed with the new life that has been breathed into it makes it such a special place.

List any abilities, skills, or interests which are applicable to the board or commission for which you are applying.

I have served and currently serve on several boards, so I have current experience in the operating of a board as well as its duties and functions within society. I work at Best Slope Coffee, one of the "happening" downtown places creating these connections. I love the Mulberry closure and what it brings to the city and would like to see opportunities like that grow.

Please specify any activities which might create serious conflict of interest if you should be appointed to a particular board or commission. (If unsure, please call the City Manager's office at 858-3663)

I work with Fruita for Equality, but I don't see a conflict of interest there.

List any licenses, certificates or other specialized training applicable to the board or commission for which you are applying.

N/A

Additional information or references you believe may be helpful in considering your application.

I just ran for City Council and lost the race, but I have a passion for serving my community. I know that downtown is such a wonderful place to connect with others and it represents our community to the world. It is important to preserve what is there, while encouraging new ventures to interact with the area. I look forward to helping in whatever way I can.
